RAP Bible Reading

R – Read

Find a quiet place. Ask God to teach and inspire you. Open your Bible to your reading for the day. Take time reading the chapter to allow God to speak to you. When you are done, look for a verse or a few verses that particularly spoke to you. Reflect on what you think God is saying to you in this scripture.

A – Apply

Personalize what you have read, by asking yourself how it applies to your life right now. Perhaps it is instruction, a new promise, a word of encouragement, or a correction for a particular area of your life. Write a specific statement how this scripture can apply to you today.

P – Pray

Keep this simple. Like asking God to help you implement your application. Or, even a prayer for a greater insight on what God is revealing to you. Prayer is a two-way conversation, so spend time listening to what God might be speaking to you. Then, write the prayer out.

Read the Bible for transformation. Not information. Keep reminding yourself that God is speaking about you and to you. Lent resources can be found at www.weomaha.com/lent2020 and [facebook.com/weomaha](https://www.facebook.com/weomaha)
