**Read:**

*Acts 16:6-34 – WE recommend reading the entire passage before meeting with your Life Groups.*

**Ask:**

1. What doors have you felt close in recent months? What was your reaction to this?
2. In her sermon, Michele told a story about her sister's dog and how, although annoyed by the dog, her act of kindness changed him. Think of a time when someone was annoying you. How did react? What affect did your reaction have on that person and/or your relationship?
3. What open windows have you had to share your faith with others?
4. When it comes to sharing your faith, do you look for open windows or do you focus on the closed doors? Why do you think this is the case?
5. Despite being in prison, Paul and Silas took the opportunity to share their faith through their actions. Instead of focusing on what was lost, they took the opportunity – the window – to pray and praise God. To share their joy.

How can you do the same? How can you take what seems to be a closed, locked door and use it as a window to share your faith with others.
