Ask:

1. What is a “Seriously” moment you’ve had recently?
2. How do you think you take yourself too seriously? How has doing that affected your relationships - with God and with others?
3. What do you currently need to let go of in your life?
4. Why do you think we get stuck on the idea that we have to earn God’s love? How do we let go of that?
5. What kind of filters do you place on your life? Why do you feel the need to do so?
6. Craig challenged us all to be our authentic selves. How can you start doing this? What is your first step?
