**Read:**

Philippians 3:12 – 4:1

**Ask:**

1. What obstacles have you had in your life? How did they affect how you did things?
2. Paul often refers to life as a race. Discuss this. What kind of race would you say your life is? What has been your outlook throughout the race?
3. Have you ever allowed a past obstacle control how you “ran the race” in the future? How did you get past that?
4. Who are the people on your team? How have they affected your race? Are there teammates that you need to distance yourself from?
5. It's easy for us to forget that we have a ringer on our team. His name – Jesus Christ. Why do you think we look past this teammate? How can we place our focus on Him?
6. How can you better remember whose team you are on?
7. How can the people in your life group best support you on your race?
