

THIS WEEK'S BIG IDEA:

Healthy people pray and play. The best friendships and groups pray and play together. Praying and playing seem like opposite activities and maybe they are—but people who pray and play together stay together.

DISCUSS

What is something you like to do by yourself? What is something you like to do with other people?

How does play help your relationships grow stronger?

What are obstacles to intentional, meaningful play with others? How can you overcome these obstacles?

Share a time when you had a prayer life that was regular and meaningful. What made your prayer life flourish during that season?

What is it like for you to pray for other people? Does it change the way you treat them or feel about them?

What would you like others to teach you about prayer? How can others help you grow in your prayer life?

A How did God challenge you in this lesson?
P What are some next steps you will add into
P your life to make time for praying and
L playing? Write them in the space below.

JOURNALING

NEXT WEEK: Looking like Jesus. We most look like Jesus when we give, when we serve, and when we forgive. We need to do all three and the world needs us to do all three.
