

**THIS WEEK'S BIG IDEA:**

We most look like Jesus when we give, when we serve, and when we forgive. We need to do all three and the world needs us to do all three.

**DISCUSS**

Which is easiest for you: giving, serving, or forgiving? Why? Which is most difficult for you: giving, serving, or forgiving? Why?

Share about a time you served another person or person(s). What did you experience? What did the person being served experience?

What is an obstacle you face in being willing to serve others? How can you overcome that obstacle?

Jesus said, "It is more blessed to give than it is to receive." How have you been blessed by giving? What is in the way of you giving more?

Why is it difficult to forgive? What are the advantages of forgiveness?

What can you do, specifically, in the very near future, to look more like Jesus? For those in a group, what can your group do to look more like Jesus?

**A** How did God challenge you in this lesson?  
**P** What is a next step or two in your life to look  
**P** more like Jesus? Write them in the space  
**L** below.

**SERVE. PLAY. GIVE.**

**Serve:** Walk down a street, through a park or neighborhood and pick up trash. (Great for groups that want to serve together but remain physically distanced!)

## JOURNALING

**NEXT WEEK:** Not a Fan. Our culture is full of fans. We are fans of a candidate or a product or a team. Jesus never asks us to be a one of his fans. He invites us to follow him.
