

THIS WEEK'S BIG IDEA:

Our culture is full of fans. We are fans of a candidate or a product or a team. Jesus never asks us to be a one of his fans. He invites us to follow him.

DISCUSS 

On a scale of one to ten, with one being not very committed and ten being totally committed—how would you rate your commitment to Jesus? Why would you rate yourself this way?

Do you feel you know more about Jesus or do you feel you really know Jesus? What is the difference?

Is Jesus one of many gods for you or your one and only? What are some counterfeit gods Jesus competes with?

Do you usually think about Christianity as a set of rules or a relationship with Jesus? Explain your answer.

What are some costs to following Jesus? What are some of the blessings?

What would it take for you to make your response to question #1 a larger number? How can others help you?

How did God challenge you in this lesson?
What is a next step or two in your life to be a closer follower of Jesus? Write them in the space below.

HOUSE CHURCH LEADER RESOURCES

SERVE. PLAY. GIVE.

Serve: Sign up to help distribute meals at Food Bank of The Heartland. (Great for groups that want to serve together but remain physically distanced!)

Play: Have a Pumpkin carving night! (Groups who are remaining distanced can do this via Zoom or spread out in someone's driveway/backyard.) Send photos to michele@weomaha.com and let the WE Staff pick our favorite!

Give: Consider changing your giving to EFT. Discuss the benefits of giving this way with your group.

BREAKING THE ICE:

Just For Fun: Go around to each person and have them tell about their favorite Halloween costume.

Ice Breaker Question: Last week, WE talked about serving. If you could give your of your time to any one place/organization, what would it be and why?

JOURNALING

NEXT WEEK:

Join us for our new series - If Money Talked. If you invited money to pull up a chair and give you its best advice, you might be surprised that what it would say is pretty close to what Jesus said. It turns out, that the secret to financial success isn't a secret at all. It's just not what we expect.
