

WEEK 4 - MEANINGFUL MONEY

BIG IDEA:

How you handle money speaks volumes about who and whose you are.

DISCUSS

Do you embrace the consumption assumption and believe all the extra money you have is for you?

What do you want people to line up and thank you for in the end?

God views money as a tool to make our lives meaningful. What do you think about that idea?

Share an example of someone you have observed leverage money to make their life meaningful. Talk about what they did.

"Where your treasure is, there your heart will be also." It is a principle that works both ways. You can change your heart by changing how you handle money. How can you give from a grateful heart? How can you give from a broken heart?

What do you want the money you had access to during your life to say about you when you are gone?

HOUSE CHURCH LEADER RESOURCES

SERVE. PLAY. GIVE.

Serve: Adopt a family from Project Wee Care as a group. Each member of your group can choose an amount to donate toward giftcards to be purchased for the family .

Play: Christmas is just around the corner! Have an ornament making party and make ornaments for each couple/individual in your group. Find easy ideas on Pinterest.

Give: Discuss the importance of making a planned, scheduled commitment to give to the church. For those who have done this, discuss why this was meaningful to you.

BREAKING THE ICE:

The Toilet Paper Icebreaker: Pass a roll of toilet paper around and have everyone rip off how much they would usually use. Everyone will probably think you're crazy. When the toilet paper makes it all the way around the circle, have everyone count their squares. The number of squares each person took is the number of fun facts they have to reveal about themselves.
